
NOTICE TO ALL EMERGENCY RESPONDERS AND TRAFFIC INFORMATION MEDIA

September 9th, 2016

**RE: LONG TERM CLOSURE – COURTICE ROAD NORTHBOUND AND
SOUTHBOUND AT HIGHWAY 401**

Please be advised that **Courtice Road northbound and southbound will be fully closed long term at Highway 401 from noon on Monday September 12th to noon on December 15th, 2016.**

The above-mentioned closures will result in the following:

- No access to Highway 401 westbound on-ramp from Courtice Road northbound;
- No access to Highway 401 eastbound from Courtice Road southbound;
- No left turn from Highway 401 westbound off-ramp to Courtice Road southbound;
- No left turn from Highway 401 eastbound off-ramp to Courtice Road northbound;
- No through movement on Courtice Road northbound and southbound at Highway 401 structure.

Access will be provided via signed detour routes.

The closure is for construction and is weather permitting.

Motorists are advised to plan alternate routes for the duration of the closure.

For real-time updates on these and other scheduled events in Central Region, please link to 'Traffic Reports' via the Ontario 511 website (<http://www.ontario.ca/511>).

ATTENTION EMERGENCY RESPONSE DISPATCH CENTRES:

Please ensure this information is passed along immediately to all appropriate supervisors and field units.
